

## Surface Mount Puff Fixture Series Mini Puff

### Application

Provides general illumination in residential and light commercial applications. Ideal for use in kitchens, playrooms, utility room and closets.

## FEATURES & SPECIFICATIONS

### Attributes

This is the newest surface fluorescent with a half moon lens and the best light distribution. Available with Electronic Ballast Featuring: instant start, no annoying hum, 5 year warranty on ballasts, consumes 20% less energy.

### Electrical

High power factor, U.L. approved ETL-CBM internally fused ballasts are standard on all 40 watt Rapid Start fixtures. Fixtures are wired for 110-120 volt, 60 cycle A.C. operation. Ballasts and wiring for other voltages and applications will be supplied when requested to meet specification. Fixtures bear U.L. labels.

### Mounting

May be surface or pendant mounted.

### Diffuser

Specially formed plastic diffuser produces flawless light source with even illumination on all sides, and no distracting dark spots.

### Listing

Fixtures conform to Underwriters' Laboratories standards for production and are carefully tested prior to packing.
