

Project	Type

### Features and Benefits

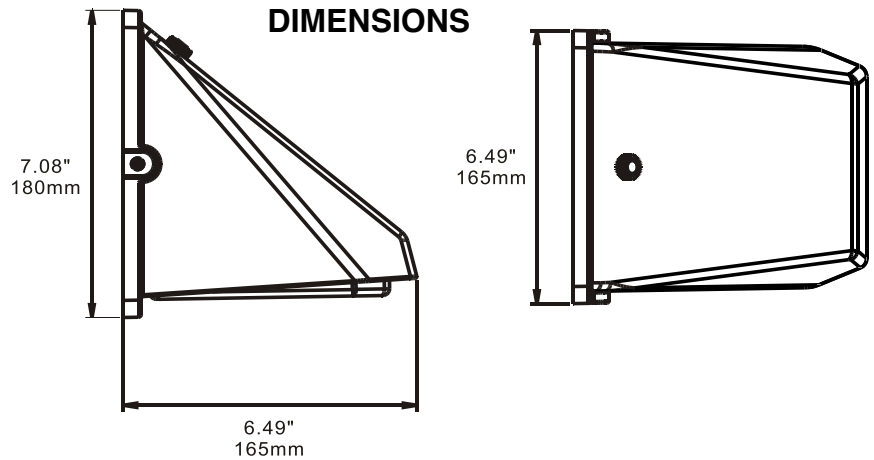

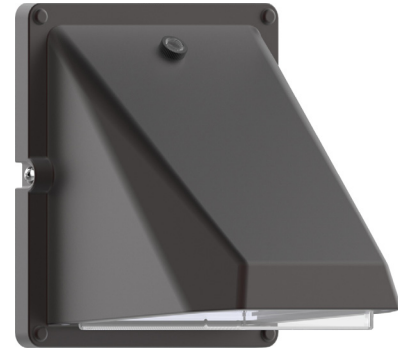

Sleek , low profile cutoff wall pack is ideal for low level area lighting and security. The fixture, specially designed for LED, provides the output of a 60 Watt incandescent using only 14 Watts. Full cut off eliminates any light pollution.

### General Specifications

- UL and CUL listed for wet locations
- IP66, dust and water jet proof; Weatherproof and durable silicone rubber gaskets, prevent water and bugs
- Corrosion resistant die-cast all aluminum construction and hardware
- Superior powder coat finish
- High impact polycarbonate lens
- **3 Year Warranty**

# MLW Series
