Deco Linear Lighting

FEATURES & SPECIFICATIONS

INTENDED USE

The Deco Linear Lighting is a modern high end designer fixture that satisfies both form and function. Specially designed for today's T5 lamps and smaller electronic ballasts, they are an energy efficient solution for use in both commercial and residential applications. The fixture features direct and indirect light distribution from an extruded aluminum body. Anti-glare cover with anti-UV treatment prevents discoloration of the lens. This suspended fixture comes with a cable kit with canopy to cover a smaller gem box outlet box. Fixture is a lustrous Metallic Silver Grey finish. Rear panel clip-in cover for easy maintenance. Choice of 1, 2 or 3 light 28W T5 lamp.
