

FEATURES & SPECIFICATIONS

INTENDED USE

The 1.5' x 2' Puff Indestructible is the latest addition to the lighting di fuser line, manufactured with Copolyester. Due to the revolutionary material technology, it is up to 16 times stronger than impact acrylic, while retaining superior optical properties, high transmission and smooth, uniform color.

SIZE W x L x H in inches (mm)

1x4: 11.75W x 50.5L x 6.0Dp

15.0W x 50.5L x 6.0Dp

17.0W x 50.5L x 6.0Dp

LAMP

2 or 4 lamp positions

DESCRIPTION

The Puff Indestructible is naturally resistant to color shift when exposed to UV typical of fluorescent lamps. Tests show no measurable color shift when exposed for over 5 years to UV producing T8 4100k. To ensure long-term performance, it is Co-Extruded with UV surface protection molded into the product.

ADVANTAGES

40% less packaging saves on transit cost. This fixture is color stable with UV protection. It stands up to shipping and handling and has a patented plastic clip to ensure safe handling.

LISTING

Fixture and Ballast: UL Listed. Ballast: Thermally protected, class P, HPF, Non PCB.

SAVINGS

The unique combination of strength and optical performance in this affordable versatile product generates savings throughout the manufacturing

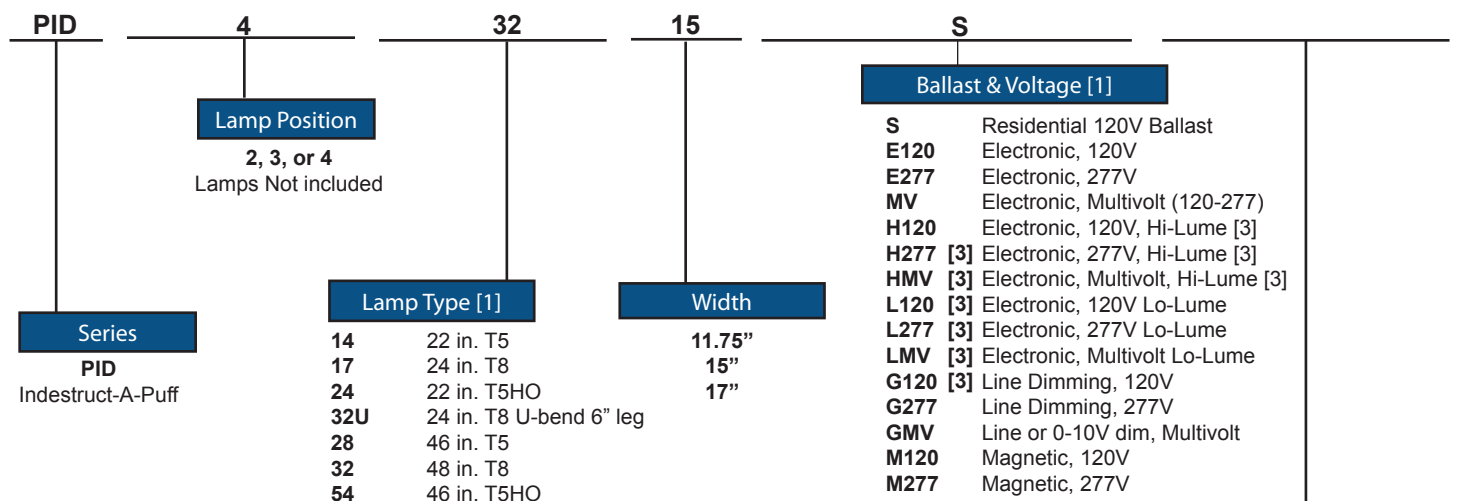

process and use of the Puff Indestructible product. This technology will virtually eliminate the transit, handling, and installation damage characteristic of the delicate puff lighting diffuser, with a simultaneous reduction in packaging and transit costs. Finished good packaging height can be reduced by as much as 40% through the elimination of costly protective caps and complex fixture-in-puff

TYPICAL OPTIONS AND ACCESSORIES

Emergency ballasts, whips, and lenses. See options page at the end of the T02Grid section, or contact factory for more details.

ORDERING INFORMATION

Example: PID43215S

Notes

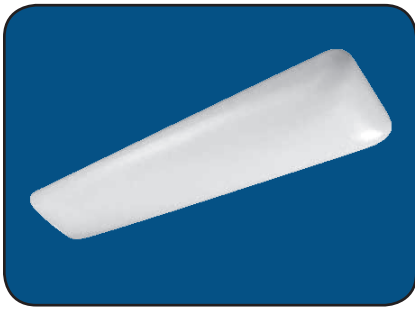

[1] See end of T02Grid for many additional lamps, ballasts, finishes, and options.

[2] HiLume and multivolt dimming ballasts available for T8 lamps only.

[3] Dimming ballasts available for T8 lamps only.
