

ESSENTIALS

Smoke Detectors

Choice of commercial grade Smoke Detectors and Fire Alarms and Carbon Monoxide Detectors. Features full dust and containment covers, battery pull tab to activate, super heavy duty battery included, test button, silencer feature and 5 year Limited Warranty.

ITEM NO.	DESCRIPTION
USI1204	Smoke Alarm, 120 Volt AC Powered with Silencer and 9 Volt Battery Backup
USI7390	Carbon Monoxide Alarm, 120 Volt AC Powered CO with 9 Volt Battery Backup
USI7795	Smoke and Carbon Monoxide, 120 Volt Wired-In Applications with Battery Backup
USI2413	Smoke Alarm, 120 Volt AC Powered for Hearing Impaired
F4518	Smoke Alarm, 120V AC smoke alarm with battery back-up

Door Chime Kit

All inclusive white door chime with two lit push buttons and transformer.

Cat. # BCK1-PDWH

Par Holders

Single or Double die-cast Par38 holders with backplate available in white or bronze finishes. Gasketed porcelain sockets, backplate and screws included. Listed for Wet Location.

ITEM NO.	DESCRIPTION	LAMPING
PH1WH	Single White Par Holder w/Backplate	PAR38 150W
PH1BZ	Single Bronze Par Holder w/Backplate	PAR38 150W
PH2WH	Double White Par Holder w/Backplate	(2) PAR38 150W
PH2BZ	Double Bronze Par Holder w/Backplate	(2) PAR38 150W

Transformers

Light Tech Transformers are the quality leader in electronic transformers changing the voltage normally from 120V to 12V or 24V. Choose from standard AC transformers or DC transformers with or without a separate wiring box. For Low Voltage systems use- DC Transformers to virtually eliminate drop voltage and reduce radiated RFI.

ITEM NO.	CASE QTY.	DESCRIPTION
LET60ACCL2-120-12	120	60W 12V AC Class 2 Transformer
LET75AC-120-12	120	75W 12V AC Transformer
LET151AC-120-12	60	150W 12V AC Transformer
LET151DC-120-12	60	150W 12V DC Transformer
LVT151AC-120-12	36	150W 12V AC Transformer/Wiring Box
LVT151DC-120-12	36	150W 12V DC Transformer/Wiring Box
LET201AC-120-12	30	200W 12V AC Transformer
LET303AC-120-12	48	300W 12V AC Transformer
LET303DC-120-12	48	300W 12V DC Transformer
LVT303AC-120-12	24	300W 12V AC Transformer/Wiring Box
LVT303DC-120-12	20	300W 12V DC Transformer/Wiring Box
LVT303AC-120-24	24	300W 24V AC Transformer/Wiring Box

Compact Fluorescent Retro Ballasts

Convert an incandescent fixture into an energy-saving CFL fixture with all the features to qualify for Title 24 with these socket ballast. Now available in 277V. GU24 sockets available in a variety of configurations.

ITEM NO.	WATTAGE	DESCRIPTION
RBS-13E120	13	CFL 13W 120V Socket/Ballast 4 Pin
RBS-13E277	13	CFL 13W 277V Socket/Ballast 4 Pin
RBS-18E120	18	CFL 18W 120V Socket/Ballast 4 Pin
RBS-18E277	18	CFL 18W 277V Socket/Ballast 4 Pin
RBS-26E120	26	CFL 26W 120V Socket/Ballast 4 Pin
RBS-26E277	26	CFL 26W 277V Socket/Ballast 4 Pin

Consult factory for GU24 sockets only.
