

# Surface Mount - Circle Puff Series TFC

Height - 3"

Diameter - 11"

## Application

Suitable for use in residential and light commercial applications. Ideal for use in closets, laundry areas and pantries.

## FEATURES & SPECIFICATIONS

### Attributes

These energy saving fixtures feature floating looking circular-shaped lamps with softly contoured acrylic lenses. Available in 3 sizes. Available also in PL Lamps

### Electrical

Normal power factor, U.L. approved ETL-CBM internally fused ballasts are standard on all circline lamped fixtures. Fixtures are wired for 110-120 volt, 60 cycle A.C. operation. Ballasts and wiring for other voltages and applications will be supplied when requested to meet specification. Fixtures bear U.L. labels.

### Mounting

Mounting on walls or ceilings.

### Housing

One piece die formed cold rolled steel with lighting grade post painted enamel finish.

### Diffuser

Smooth white acrylic low profile saucer-styled diffuser. Meets ADA requirements.

### Finish

Socket Plate White.

### Listing

Fixtures conform to Underwriters' Laboratories standards for production and are carefully tested prior to packing.
