

Surface Mount - Circle Puff Series TFC

Height - 3"

Diameter - 11"

Application

Suitable for use in residential and light commercial applications. Ideal for use in closets, laundry areas and pantries.

FEATURES & SPECIFICATIONS

Attributes

These energy saving fixtures feature floating looking circular-shaped lamps with softly contoured acrylic lenses. Available in 3 sizes. Available also in PL Lamps

Electrical

Normal power factor, U.L. approved ETL-CBM internally fused ballasts are standard on all circline lamped fixtures. Fixtures are wired for 110-120 volt, 60 cycle A.C. operation. Ballasts and wiring for other voltages and applications will be supplied when requested to meet specification. Fixtures bear U.L. labels.

Mounting

Mounting on walls or ceilings.

Housing

One piece die formed cold rolled steel with lighting grade post painted enamel finish.

Diffuser

Smooth white acrylic low profile saucer-styled diffuser. Meets ADA requirements.

Finish

Socket Plate White.

Listing

Fixtures conform to Underwriters' Laboratories standards for production and are carefully tested prior to packing.
